Oral Presentation Guidelines

1.Presentation Time: Each presenter will be allotted 8 minutes for the oral presentation, followed by 2 minutes for Q&A. Strict adherence to the allotted time is requested.

2.Presentation Format: Presentations should be prepared in PowerPoint format (.ppt/.pptx) using a 16:9 widescreen layout.

3.Slide Design: Keep slides clear, concise and visually appealing, with a minimum font size of 24 pt. Avoid excessive text and overcrowding.

4.Figures and Tables: All tables, graphs and charts should have appropriate titles/captions, with clearly labelled axes and units wherever applicable.

5.Submission & Presentation: Presenters should submit their presentation within the specified deadline, carry a backup copy, and be present at the designated venue before their scheduled session.

6.Max no slides should be less than 15 (Including Title and Reference Slide)
